Compare Column 5 to Column 7, compare column 8 to Column 10, and compare Column 11 to Column 13.

If Column 5 exceeds Column 7, and/or if Column 8 exceeds Column 10, and/or if Column 11 exceeds Column 13, then in Column 15 write an explanation for any counts that exceed these edit checks. An explanation must always be given for any questionable counts, including low counts.
